

American Lincoln Parts

American Lincoln Part - Currently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. In the business they are recognized in the industry as providing strong and durable machines which satisfies the needs of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities in Springdale Arkansas. These scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln could supply warranty service, equipment and components for these types of scrubbers that carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of numerous facility supervisors where results and efficiency count. Lately, this floor scrubber model has been requested by the architects in new construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on location due to the model's supreme performance level and excellent quality for polishing concrete.
